BILD HOMERUN DELUXE

BILLBOARD 100/1

The billboard is placed prominently above the navigation and catches the eye of users when they load the home page. With its generous layout, the advertiser has plenty of space for design and information.

With a viewability of 100/1, the highest possible attention is guaranteed. The user sees the ad completely for at least 1 second.

BILLBOARD + DOUBLE DYNAMIC SITEBAR

The billboard is placed prominently above the navigation and catches the eye of users when they load the home page. With its generous layout, the advertiser has plenty of space for design and information.

The two site bars are visible at all times due to their dynamic adjustment to the screen size and following along the content while scrolling.

DOUBLE DYNAMIC SITEBAR

The two sitebars are visible at all times due to their dynamic adaptation to the screen size and following along the content while scrolling.

CURTAIN DROPPER

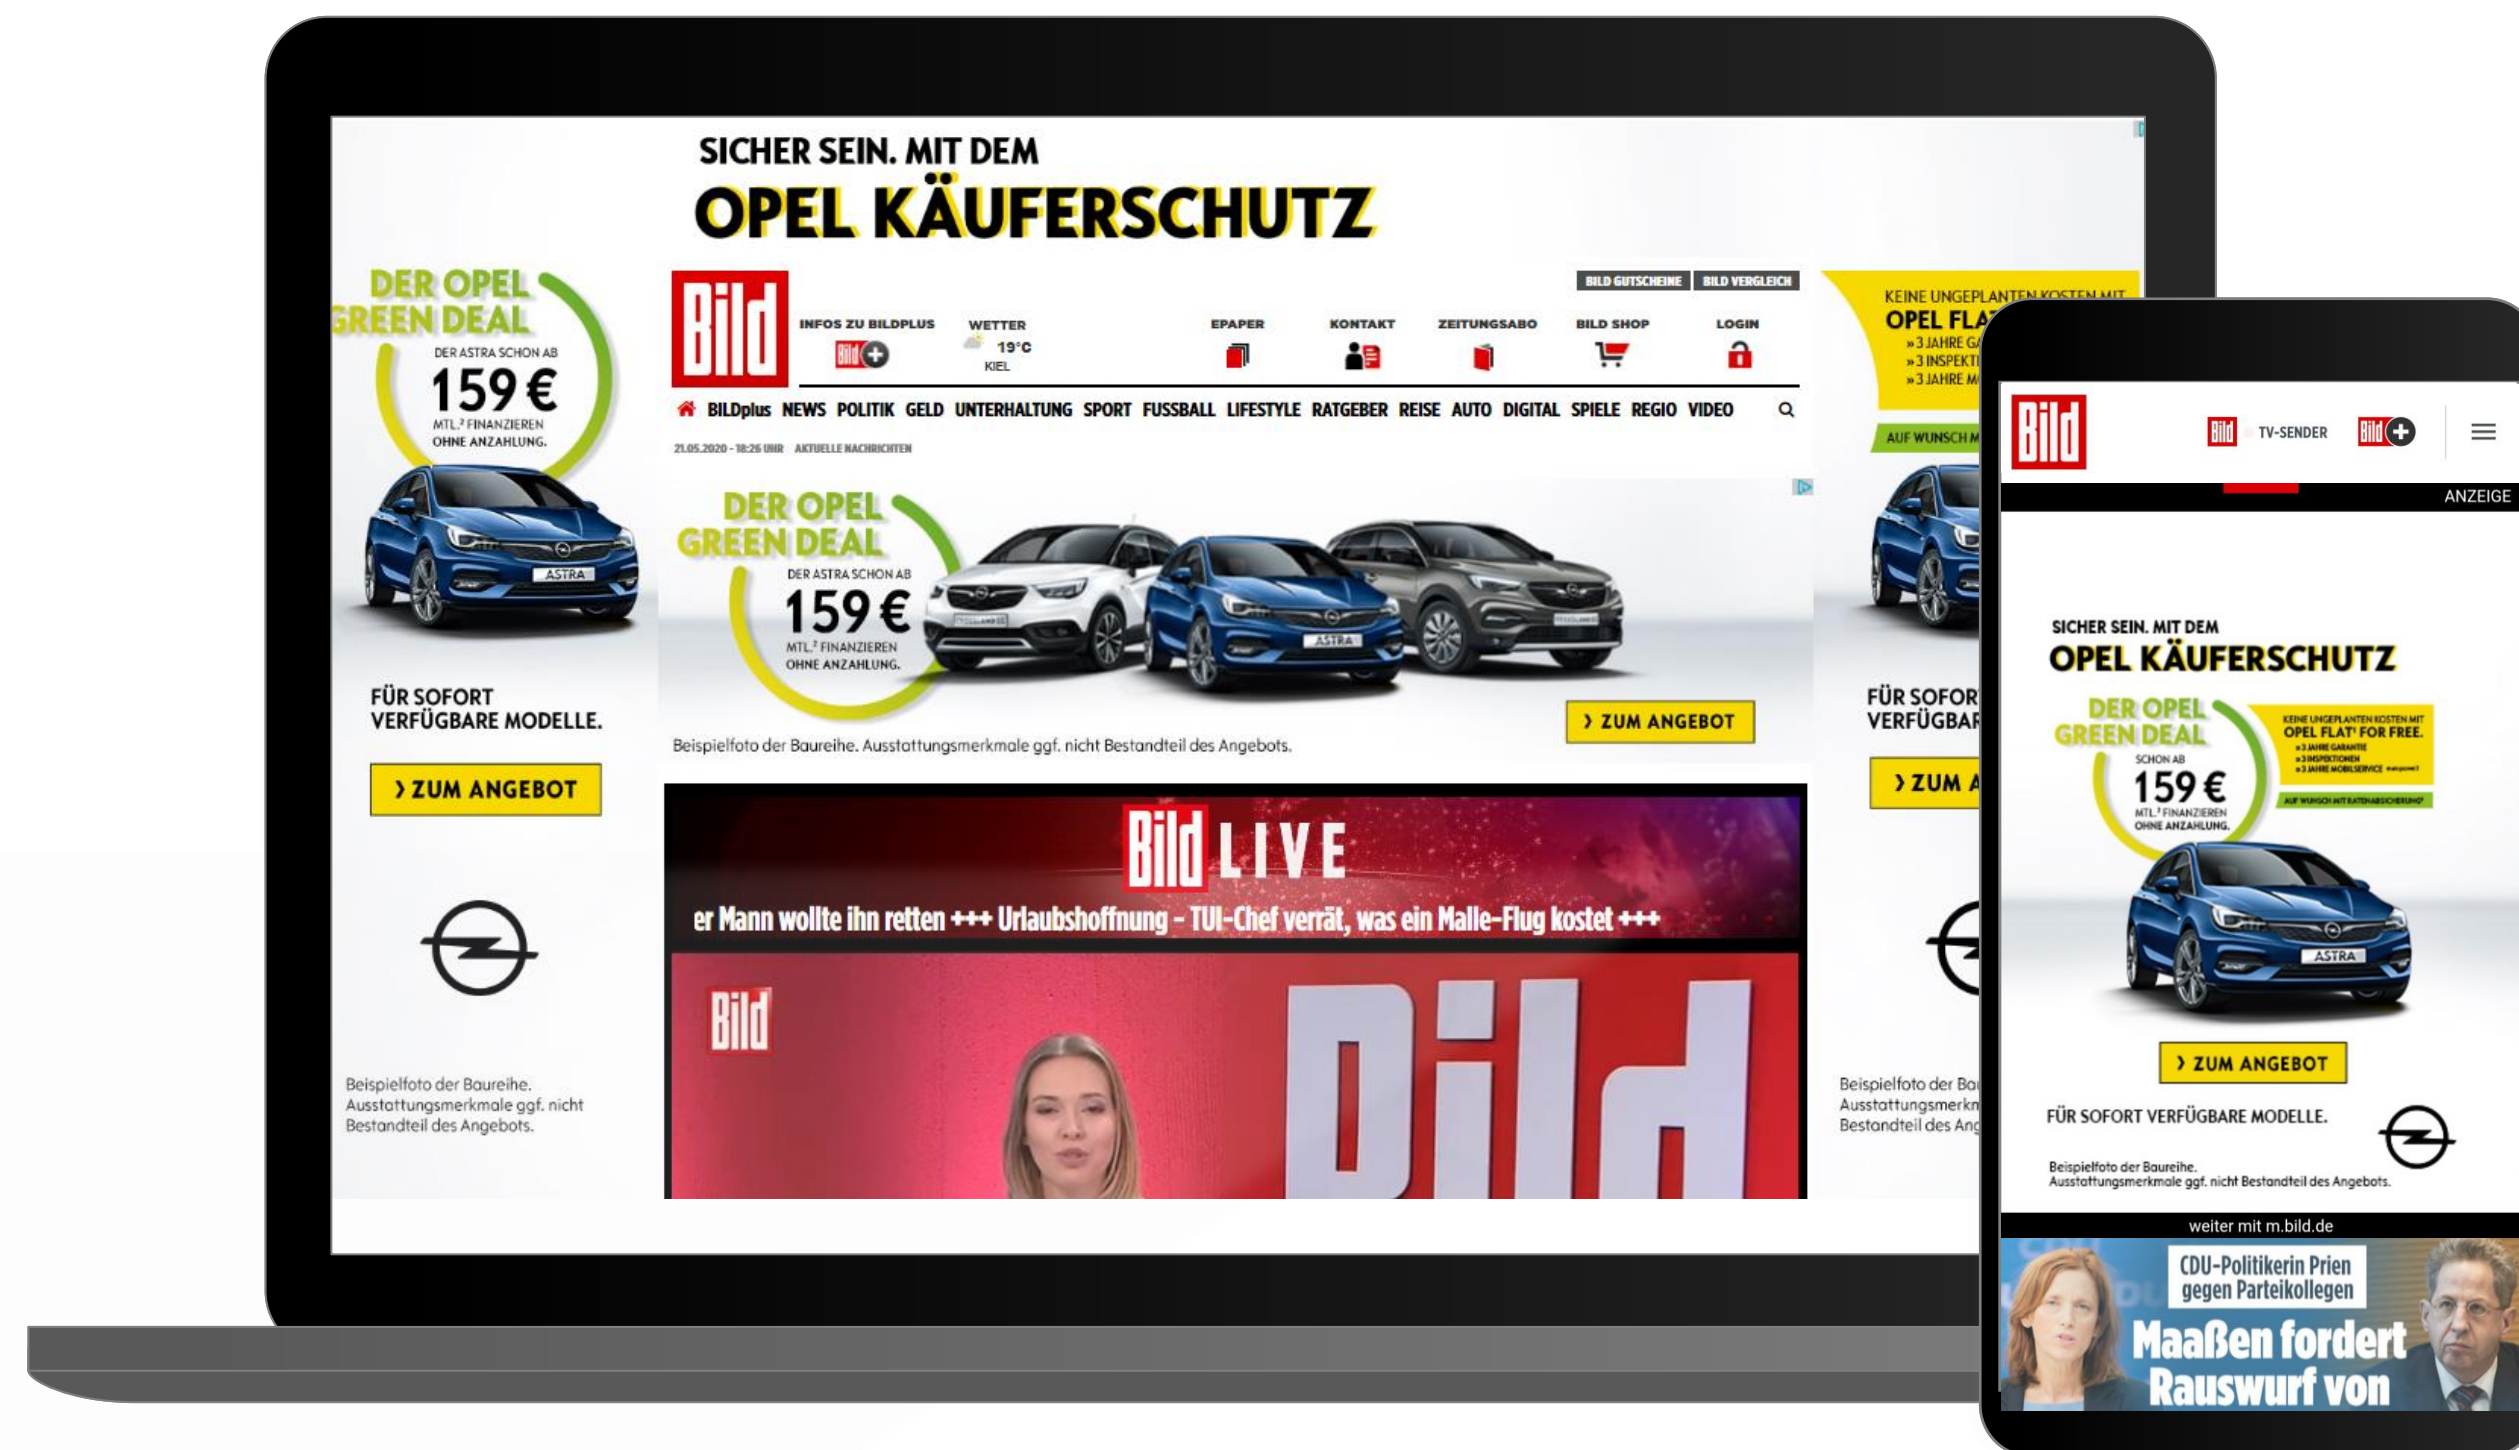

Big! Bigger! Curtain Dropper!

This advertising innovation is sure to be remembered by every user.

The Curtain Dropper is an attention-grabbing layer, which is placed over the screen like a falling curtain, remains there for five seconds and then falls down. When the curtain ends, a billboard remains as a reminder.

BILD HOMERUN DELUXE BRIDGE AD

With this advertising medium you are sure to make a grand entrance. Additional advertising impact can be placed in the user's field of vision on the billboard under the navigation. The billboard here is provided with a FC=1 per day. After that, the fireplace stops. When scrolling, the sitebars of the Fireplace run along with the content.

BILD HOMERUN DELUXE VIDEO WALL

Do you have high-quality video content that you want to present to a large audience? Then the BILD Video Wall is just what you were looking for. The video starts automatically in the background when the homepage is loaded. By mouseover over the billboard, your commercial is placed over the content of BILD.de and is played again from the beginning. The video can be closed using the Close button. A billboard remains as a reminder.

GERMANY'S LARGEST DAILY FIXED PLACEMENT

BILD BIG STAGE

Lights off, spotlight on! The video starts automatically when the homepage loads and is presented to the user in a large format.

The Big Stage initially consists of a full-screen video. The editorial content is pushed down by the video. After the video, it closes automatically and the content returns to its usual position. A Double Dynamic Sitebar + Billboard remains as a reminder.

Run time: 24 hours from 10.00 a.m. – 10.00 a.m.

FURTHER POSSIBILITIES

BILD HOMERUN SPECIAL

BILD 100/1

ONLY PAY WHAT YOU SEE – 100 % VISIBILITY

Total visibility for your campaign on Germany's strongest homepage.

For at least 1 second, the user sees 100 % of the ad. The mobile lead ad is the main focus here. It remains at the top of the page for 1 second and is then automatically pushed up by scrolling and disappears.

The new 100/1 BILD HomeRun guarantees you

- the greatest possible attention,
- 12 million ad impressions and
- 100 % viewability 100/1

HOMERUN PROGRAMMATIC

You comfortably book by programmatic means and receive guaranteed exclusivity on Germany's strongest home for one day. To ensure planning security, we cap your bill from 16.1 million ad impressions.

*Any additional AIs will not be charged to you.

BILD SPECIAL BILD RUN

Der BILD Run bündelt alle relevanten Channelstart- und Artikelseiten in einem einzigen Produkt. Indem wir Sie dort exklusiv platzieren, wo die Aufmerksamkeit unserer BILD-User am höchsten ist, garantieren wir optimale Viewability und maximales Engagement.

BILD SPECIAL TOPIC RUN

Users are divided into data segments based on their reading behavior over the last 30 days. Only users with an affinity for the channel are then shown the relevant advertising material.

For maximum visibility, you are also placed exclusively on the start page of the respective channel. This allows you to reach all relevant users.

03

INDIVIDUAL INTEGRATION

WE MAKE SALES BOOKABLE

BILD BRAND CONCEPTS

With a brand concept from the BILD Group, you benefit from the credibility of one of Germany's strongest media brands.

The design in the "look and feel" of our titles translates your message into the language of our readers and users. With the exclusive use of the brand logos, you transfer this message to your products and to the PoS. Reach your consumers with our high reach and attention-grabbing staging across all channels (incl. TV). We get your sales moving!

THE FACTORS OF SUCCESS!

VISIBILITY

With deep integration, we provide you with a cooperation approach in which your brand is deeply integrated into the world of BILD.de. At the heart of deep integration is a partner landing page in the form of a theme stage or channelizer.

6 – 12 months constant traffic push via different advertising formats on BILD.de

REACH

Minimum reach of 10 mill. promotion impressions per month

OPTIMIZATION

Advertising media played out in rotation are optimized according to CR and CTR

TRAFFIC SUPPLY

Consulting by our own key account manager as well as **creation of a partner landing page** and support in the creation process

NATIVE PLACEMENTS

Native integration of your content in the look & feel of BILD.de via your own partner landing page and advertorials

Channelizer

Theme stage

THEME STAGE

- Your content marketing material is presented and implemented in a theme stage in the BILD look & feel
- Strong full-service character
- High credibility and advice function
- Site included in BILD's content management system

CHANNELIZER

- Integration of your content, stores or widgets into the BILD environment via template with BILD header & footer
- High attention for the product or offer
- Short customer journey, therefore high performance
- Site hosted by partner
