AND NOW NEW...

Even more Fame, even more fighting - the Fame Fighting **Wildcard Event**. It starts again before the actual event at the end of 2024, but this time it's different...

On **May 24, 2024**, 8-12 aspiring influencers and reality TV stars will meet. The candidates will face each other in the ring in a sporty gym atmosphere.

The winners get to compete again, this time in the sequel to the successful Fame Fighting Event 2024!

Dreijährige Kooperation

"Fame Fighting" bleibt bei Bild.de und wird ausgebaut

Das "Fame Fighting"-Event im November war für Bild.de trotz einiger Serverprobleme ein großer Erfolg, daher hat man mit dem Veranstalter nun eine dreijährige Kooperation vereinbart. Im Rahmen dessen wird das Box-Event ausgebaut.

von Timo Niemeier
am 24.01.2024 - 09:58 Uhr

Unter dem Titel "Fame Fighting" wird Bild.de in den kommenden drei Jahren erneut ein Promi-Box-Event zeigen. Eine entsprechende Medienkooperation ist Axel Springer nun mit dem Veranstalter Eugen Lopez eingegangen. Geplant ist zudem ein Ausbau der Marke: Die nächste "Fame Fighting"-Liveshow soll es im Herbst 2024 zu sehen geben. Schon im Frühling soll zudem erstmals die "Fame Fighting Wildcard" veranstaltet werden. Darin können sich Promis für das große Event im Herbst qualifizieren.

VISIBILITY DIRECTLY ON SITE

Become a direct partner of the event and present your brand up close in and around the boxing ring!

Benefit from prominent logo placement on the press wall and directly in the boxing ring to draw the attention of spectators to your brand. Presenter clips or pre-rolls on the screens in the hall allow you to present your company effectively and appeal to visitors to the event.

Use the opportunity to place flags at the walk-in to make your brand visible as soon as the fighters enter the ring. With targeted areas at the after-show party, you can also ensure that your brand remains present after the fights and reaches the guests attentively.

Any other ideas? We look forward to working with you to find further individual ideas for integration directly on site!
