THE BILD AI STORY

With Hey_, the first German chat GPT, we create a hyper-personalized story with AI for you!

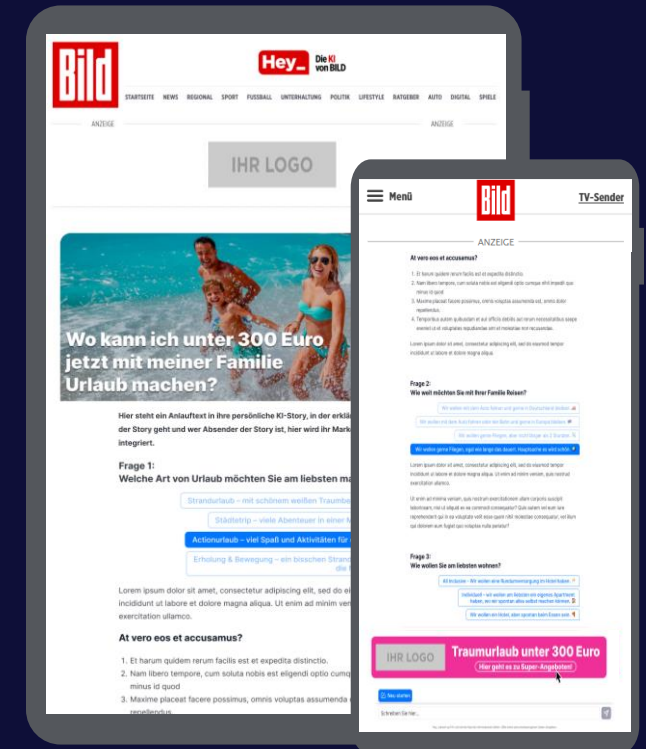

Functionality:

1. BILD Brand Studios editors work with you to develop the most important questions about your brand / product.
2. We create an AI guide in the typical BILD style. Our prompt engineers feed the AI with all the important information so that it responds in the interest of your brand.

Your company is **natively** integrated into the AI story.

Benefits of the AI Story:

- **Deeper user insights:** Get valuable information about your audiences concerns and interests.
- **Personalized advertising:** BILD users themselves are an active part of the story.
- **Early trend recognition:** Trends can be guessed based on questions from BILD users.

Your AI story – prominent placements lead users to the story (see [here](#))
